

IF YOU SMELL GAS

- **DO NOT** operate a cell phone or land line (these can ignite gases).
- **DO NOT** turn on or off lights or other electrical switches, garage door openers or engines.
- **DO NOT** light matches or cigarettes, or create a flame.

- **DO** leave the building or area immediately and leave doors and windows open.
- **DO** make sure gas appliances are turned OFF.
- **DO** call Fairbanks Natural Gas from a safe location away from the leak.
- **DO** warn others, *if it is safe to do so.*

24-Hour Number: 452-7111

Natural gas is naturally odorless, tasteless and non-toxic. For safety, FNG injects mercaptan, an additive that has a strong sulfur-like smell similar to rotten eggs so gas can be detected in air.

ALWAYS CALL BEFORE YOU DIG!
